MY EV SERVICE™ — Autobot Engineers India Pvt. Ltd.

Franchise Partner Program & Opportunity Guide

One PIN Code = One EV Business. Own a multi-brand EV service centre on the FOCO model. Live in 90 days.

Franchise Business Models

- Garage Format: ■7.5 Lakhs + GST | 300 sq.ft | 1-2 Service Bays | Ideal for High-Density 2W Urban Pockets.
- Executive Centre: ■15 Lakhs + GST (Standard ■17L) | 600 sq.ft | 3-4 Bays | Comprehensive 2W Diagnostics & Quick Swap.
- Master Regional Hub: ■25 Lakhs + GST (Standard ■30L) | 1,000–1,200 sq.ft | 6 Bays | Complete 2W, 3W & Light Commercial Fleet Care.

The FOCO Advantage (Franchise Owned, Company Operated)

- Zero technical experience required: Autobot Academy recruits, trains, and certifies all high-voltage technicians.
- Centralized Parts Supply: 100% genuine batteries, chargers, and controllers dispatched directly via EV Spare Hub.
- Autobot OS Software Suite: Automated digital job cards, customer billing, live CRM dispatch, and GST-compliant reports.
- Territory Exclusivity: Guaranteed protected geographical radius around your workshop location.

Founding Partner Offer (First 10 Pune Partners)

- Autobot OS Enterprise License free for the first 2 full operating years.
- Zero Franchise License fee for inaugural hub applicants.
- Flat 10% platform revenue share for Years 1–2 (moving to standard 15% from Year 3 onward).

90-Day Setup & Launch Roadmap

- Days 1–15: Location survey, territory lock, commercial feasibility study & agreement sign-off.
- Days 16–40: Fit-out to brand specifications, two-post lift installations, diagnostic scanners & HV safety gear.
- Days 41–90: Technician onboarding via Autobot Academy, inventory delivery, local marketing push & grand launch.
